## TERMS AND CONDITIONS OF SALE

Every animal is pledged to absolute sale and if there are two or more bids on the same animal it will be sold to the highest bidder. This sale is conducted in accordance with sale practices and procedures recommended by the Purebred Dairy Cattle Association.

Terms: All payments must be made the day of the sale and no release of animals will be made until satisfactory settlement has been made. SALE COMMITTEE must receive all phone bid purchase payments within 5 days from date of sale.

The Wisconsin State Ayrshire Association and Management in compliance with Section 95.195 (1) (A) of the Wisconsin Statutes hereby notifies the buyers that the animals which are part of this sale have not been tested for Paratuberculosis and are not warranted to their status regarding Paratuberculosis.

Each animal will be recorded in the herd book of the Ayrshire Breeders' Association, Columbus, Ohio. Certificates of registry properly transferred by the seller will be furnished to the purchaser free of charge.

All lactation records in the catalog are based on twice a day milking unless otherwise noted. Records have been taken from official Ayrshire publication, other publications deemed official such as AI publications and information, or supplied by the breeder.

Each animal will be at purchaser's risk as soon as sold, but will not be released until settlement has been made.

Announcements from the auction box will take precedence over the printed material in the catalog. Every effort has been made to guard the accuracy of the catalog data and we believe that mistakes are minimal. If any errors are noted in the catalog, they will be corrected by announcement on sale day.

All persons who attend the sale do so at their own risk and the auctioneer, selling agents, or owner assume no liability, legal or otherwise, for any accident which may occur. Neither are we responsible for fire, theft, or injury.

Johnes Disclaimer: There is no warranty, expressed or implied, that animals being sold within this sale are uninfected with paratuberculosis (Johnes' Disease). This is buyer's written notice as required by Wisconsin Statute.

Absentee Bidding: If you are unable to attend this sale, please feel free to contact any member of the sales staff. They will be happy to assist and represent you at the sale. Please feel free to call upon them for advice before, during and after the sale.

Email Pictures: Contact Sarah Borchardt if you are interested in having an animals picture emailed to you before the sale. (815) 289-3535

Embryo Packages: Embryos will be sold on a per embryo basis times the number of embryos being offered in the package. All embryos will be available at the sale for pickup, unless otherwise noted. Shipping arrangements of the embryos, including all expenses, is that of the buyer. No embryos will be shipped until full payment has been received.

Mortality Insurance: Forms will be available at the sale. Full mortality coverage is available through the Merle Howard Agency, Paula Bovre, agent. All cattle become the risk of the purchaser at the time of sale. To protect the buyers interest, insurance can be obtained by contacting:
