# Terms and Conditions

**IMPORTANT:** The management wishes to announce that this sale is being conducted according to the Code of Ethics of the Purebred Dairy Cattle Association. The following "Terms and Conditions" have been endorsed by the Purebred Dairy Cattle Association as the basics for fair practice in the management of auction sales.

**TERMS:** Cash or a good check sale day. If you have not established a credit rating with the Sale Manager, please bring a letter from your bank guaranteeing the payment of your check.

**BIDS:** The highest bidder shall be the buyer. In the case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by bidding is prohibited. Every animal must be transferred to a new owner and may not be transferred back to seller in less than a year, except at the discretion of the executive committee of the Ayrshire Breeders' Association.

**RISKS:** All animals are at purchaser's risk as soon as struck off, but will be cared for free of charge for 24 hours.

**ERRORS:** If errors are noted in the catalog, announcements will be made from the auction stand and such announcements will take precedence over the matter in the catalog.

**CERTIFICATES:** Each animal is recorded, or will be recorded, in the Herd Book of the Association. Certificates of registry and transfer will be recorded by the seller and furnished the purchaser free of charge.

**SHIPPING:** Assistance will be given in shipping the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

**WARRANTIES:** (1) Each owner warrants clear title to the property and right to sell the same. (2) Unless otherwise noted in catalog or announced from the auction stand, each animal is sold as sound. (3) (A) Males: are sold as (a) being able to serve after reaching 14 months of age, and (b) having semen after reaching 14 months of age that will be 25% of its sperm cells progressively mobile after 24 hours of storage at 35 degrees to 50 degrees F. Should any bull not meet these two requirements within four months the matter shall be reported in writing to the seller, who shall then have four months to prove the bull's ability to meet these requirements before refunding the purchase price. In no case shall the seller be responsible for more than the sale price of the animal. (B) Females: Any female pregnant when sold, or that has freshened within 60 days of date of sale, is by that fact proven a breeder. Females bred when sold are presumed to be pregnant to the best of the seller's knowledge and belief. Pregnancy is not thereby guaranteed. Should any female not pregnant when sold, after reaching the age of eighteen months, fail to become pregnant within four months' time, after being bred to a bull known to be a breeder, and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of four months time in which to prove the animal a breeder before refunding the purchase price. The seller makes no warranties that pregnant cows will deliver calves or that they will carry calves full time. In no case shall the seller be responsible for more than the purchase price of the animal. (4) Above warranties cease when the animal is disposed of by the original purchaser. (5) Transportation charges on any animals, subject to adjustment, shall be paid by the shipper.

**TUBERCULIN TEST:** All animals over 6 months old have passed a negative test for tuberculosis within thirty days prior to sale date.

**BLOOD TEST:** Most are calfhooed vaccinated. Calfhooed vaccinated animals over 14 months old and unvaccinated animals over six months (180 days) of age shall have been negative to a blood test conducted within 30 days prior to sale.

\* All animals are recommended to be tested for BVD. Johnnes tests are not being recommended.\*

**THE VERMONT AYRSHIRE CLUB** in no way guarantees animals sold, nor representations made, the seller is the responsible person; the Association acts as agent only, but will endeavor to protect the interests of both the seller and the buyer.

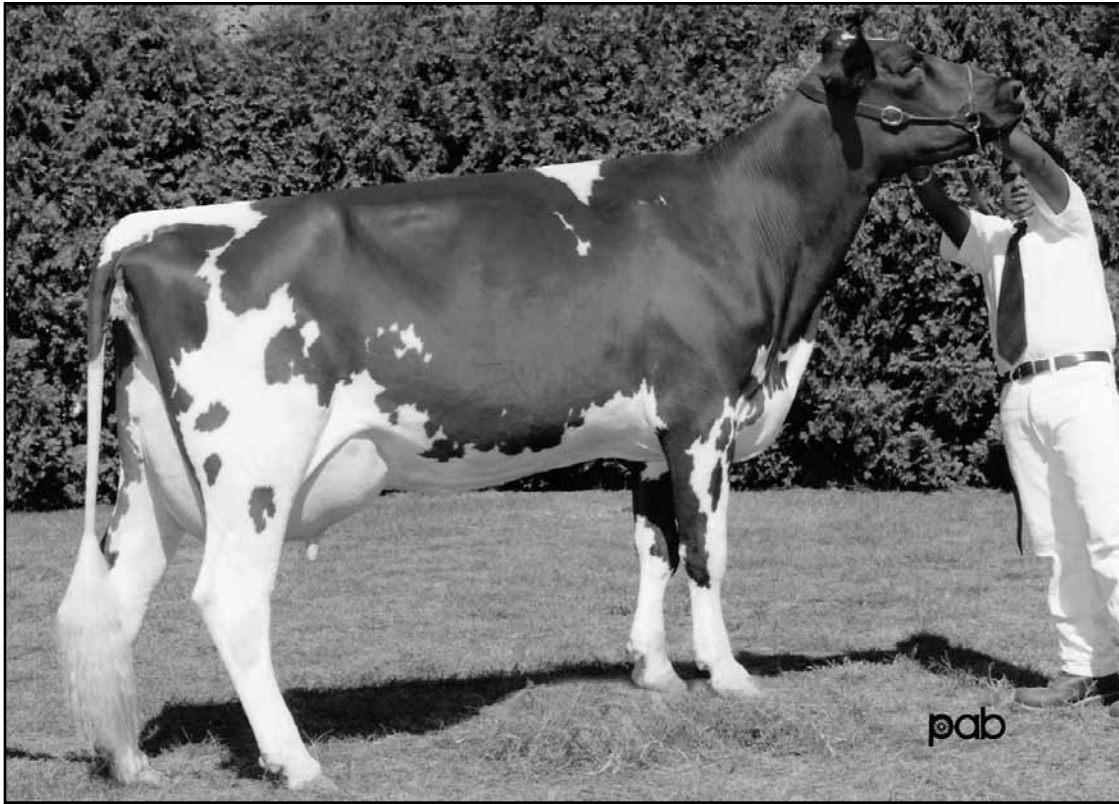

**RESPONSIBILITY:** The sale management or the owners of the animals are in no way responsible for the condition of the sale grounds or the behavior of the animals beyond reasonable care and precaution and disclaim any liability in the event of personal accident or property loss to anyone. Your attendance is entirely at your own risk.

**BIDDERS NOT PRESENT** may send bids or instructions to buy with necessary funds in advance of sale date or guaranteed to the VERMONT AYRSHIRE CLUB officers.

***An Offering Of Big Values!***

**ABOUT THE RECORD DATA IN THIS CATALOG:** Actual 2X records (305 days or less) are given for all individuals unless otherwise noted. Most records are DHIA or DHIR. A few may be owner sampler records and are marked OS. Some of the production, classification and show records have been supplied by the sellers and although not always verified by the sale manager are believed to be accurate.
