**Traveling East on I-90 (NYS Thruway) - (Coming from Pennsylvania)** - Take exit 57 to Route 75 north. Turn right on to Southwestern Blvd (Route 20). Make a right onto McKinley Parkway. The Fairgrounds are on the right.

**Traveling West on I-90 (NYS Thruway) - (Coming from Amherst, Rochester, Syracuse)** - Take the I-90 West to exit 56 (Blasdell/Milestrip). Turn left onto Milestrip Road (Route 179). Turn right on the McKinley Parkway. The Fairgrounds is on the left about less than 4 miles.

**From the Buffalo Niagara International Airport (approximately 25 minutes)** - Take the 33 Expressway and follow the signs to the NYS Thruway (I-90). Take the I-90 West to exit 56 (Blasdell/Milestrip). Turn left onto Milestrip Road (Route 179). Turn right on McKinley Parkway for about 4 miles.

**Take the back road to the Fair** - Parking lot 5, located in the middle of Clark Street between McKinley Parkway and South Park Avenue on the south end of the Fairgrounds is the easiest lot to park in for easy access. Avoid the traffic by taking the 219 to Armor Duells Road West for the easy back entrance to the Fairgrounds. This route works particularly well if you live south of the Fairgrounds!

*I would like to thank everyone who has shown interest in the Shamrock Hills cattle. In 1969, mom and dad purchases a Registered Ayrshire for me to show as a 4-H project. Her name was Stonebriar Guys Terri. We bought her from Howard Charlesworth. The following summer I showed her at the Cattaraugus County Fair, she was a senior calf. Terri went on to win her class that day and went on to become Junior Champion. The following year as a senior yearling she repeated her success and was chosen to go to the New York State Fair. There she won the 4-H show and was second in the open show.*

*From that point on, it was all about the Ayrshire cow. We continued to buy calves as my high school years rolled by, and in 1975 our Ayrshire herd numbered about 20 animals. I was selected Ayrshire Boy that year for New York. After high school graduation, I bought the Ayrshire herd from my parents and started my own herd within my dad's at that time.*

*In 1981 having outgrown the home farm, I moved to the farm in Randolph where I still reside. Over the course of the next few years, I tried different feeding styles. In 1986, I turned the land into rotational grazing, and although the herd average dropped some, the cows were healthier and lived years longer. The herd average has ranged from 15,000 to 16,500 over the years with only the pasture and grain in the summer and hay and grain in the winter. The butter fat averages 4% with the protein 3.2% and our somatic cell count is under 100,000.*

*Over the years we showed at many local, state and some national shows. Lately however the show just got harder to get to. Due to lack of help and time, the shows have been mostly just local for a while.*

*As you look through this catalog you will notice the impact of one really good cow, Shamrock Hills Splotchy, who was born in 1991 a Milk Machine daughter. The best part of half of our herd can be traced back to her. We lost her two summers ago at the age of 17. She might have been just one of the cows, but she did it better than most, scored 96 points, records over 20,000 pounds and seemed to always have a heifer calf.*

*Finally, because of these cows, I've had the opportunity to meet many of my closest friends and I hope that anyone who purchases a Shamrock Hills animal gets that same chance.*

# Terms and Conditions Of Sale

**TERMS:** The terms are cash or check on sale day made payable to the Ayrshire Breeders' Association, in US funds. All sales are final. Settlements are to be made in full unless otherwise announced at the time of the sale of the individual lots. All payments must be made to the clerk of the sale. Compliance with the above terms of payment on the part of the buyer will then entitle him/her to guarantees offered by the seller and listed below.

**EXPORT SALES:** Arrangements regarding health requirements and health tests for a specific importing country shall be a matter of agreement prior to the sale between the seller, sale management and the potential buyer or agent. Otherwise, the buyer assumes all responsibility for all health tests.

**BIDS:** The highest bidder shall be the buyer. Every animal is pledged to absolute sale. In case of disputes, the animal shall be again put up for advanced bids, and if there be no advance bids, the animal shall be sold to the person from whom the auctioneer on the stand accepted the last bid. In case two or more claim the bid, the auctioneer in the box shall indicate the party whose bid he/she recognized. Other claimants will be given an opportunity to increase the bid, and bidding will be restricted to the two or more claimants.

**BY-BIDDING:** Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Consignors do have the right to be a party to a purchasing partnership or syndicate of their consignment if they choose to do so. Such partnerships need not be announced before the sale but are encouraged to be communicated to sale management.

**RISK:** All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for 24 hours. Purchasers must make arrangements with sales staff immediately following the sale. Consignments kept after 24 hours will be charged \$20.00/day/US unless prior arrangements have been made with sale management. Animals are solely at the consignor's risk prior to selling in the event of fire or other eventuality.

**CERTIFICATES OF REGISTRY:** Each animal is recorded, or will be recorded, in the herd-book of the Association. The certificates of registry with recorded transfer will be furnished by the seller to the purchaser.

## WARRANTIES:

- 1) The seller guarantees right and title to property.
- 2) Unless otherwise noted in the catalog or announced from auction stand, each animal is sold as sound.
- 3) Each animal is sold as a breeder, subject to the following conditions:
  - a) **MALES:** Should any bull over 15 months of age fail to be proven a breeder, the seller must either return the purchase amount or provide a viable and agreed upon replacement.
  - b) **FEMALES:** Any female pregnant when sold, or that calved normally within 90 days of the sale, will be considered a breeder. Bred females sold as "pregnant" to the best of the breeder's knowledge and the result of pregnancy examinations will be announced from the stand. However, the seller does not guarantee that a pregnant female will deliver a live calf or carry the calf full term. Any female not pregnant when sold, or that upon reaching the age of 18 months should fail to conceive after having been bred regularly for four months by a bull known to be a proven breeder and treated by a competent veterinarian, should be reported in writing to the seller. The seller will then be granted the privilege of a further period of four months to prove the female a breeder on his/her premises before refunding the purchase price as full adjustment or make other settlement satisfactory to the purchaser.
- 4) The seller is not responsible for damage caused by foreign bodies after the animal is sold, inclusive of mummified calves, nor sickness apparent at sale time.

**SHIPPING:** Assistance will be given in shipping the animals after the sale. All costs, risks and responsibilities will be borne by the purchaser.

**ON-FARM SELECTIONS:** Buyers of "Choice" lots must make their on-farm selections by the time the youngest calf resulting reaches four months of age, unless other arrangements have been made with seller.

**HEALTH WARRANTY:** The seller will provide the purchaser an official health certificate to the buyer for each animal. The results of any future health test are not guaranteed.

**ACCIDENT:** The sale management, the consignors and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.
