

REWARDS Program . . .

The Complete Package

Why?

◆ The REWARDS Program can save you as much as 15 percent on your registrations, transfers, classification of females and Gold programs. Save 50 percent on registrations and transfers of animals born before January 1, 2008, and not yet registered when the REWARDS Program fees are paid.

◆ You may prepay the fees, then send in your registry and transfer applications at your convenience. You can classify females as many as two times per year. All your production records will be placed on the performance files of the association on a monthly basis.

◆ The annual program fee covers all registrations for animals born in the year of enrollment, all submitted during that year, classification of females in the herd twice, plus enrollment in the Gold program. All other association programs and services will be at the regular individual program price.

◆ Enrolled herds must meet a minimum Data Collection Rating (DCR) by DHI of

86 or better to be eligible for production awards.

How?

◆ Enroll now to qualify for 2008. Your application must be received by December 31, 2007, to qualify for the 5% cash discount. No REWARDS applications will be accepted after March 31, 2008.

◆ You must be an ABA member as the program is an exclusive member benefit.

◆ The annual program fee is \$100, plus \$16 per milking age female.

◆ An additional 5 percent discount will be given if you own 51 cows or more, and increased to 10 percent for 101 cows and 15 percent at 201 cows.

◆ Enrollment is simple — just send an application with a copy of your DHI test sheet that shows the number of milking age females in your herd.

◆ Enrollment payment can be made by credit card, check or by milk check assign-

ment. If you choose to pay by milk check assignment, it will be prorated on a monthly schedule, but you must agree to a maximum of 12 months assignment (one calendar year) or to pay the balance if milk sales are discontinued for any reason. In addition, if the milk check assignment is started after one or more months have passed in the year, the initial month(s) fee must be submitted with the enrollment form. If a milk check assignment is established, no discount will be provided for early enrollment.

◆ Animals owned by others housed in a REWARDS herd will be accepted as long as the primary herd has listed all cows in the herd at sign up and paid the full fee. The animals will be listed as one herd.

◆ No refunds will be provided.

Still Not Sure?

◆ If you would like the ABA office staff to assist you in evaluating if the REWARDS Program might benefit you, please call the office at (614) 335-0020.

REWARDS Program Application

Name _____

Address _____
