Youth Lease Agreement Rules

1. All Jr exhibitors showing a leased animal at National Shows must have an Ayrshire Breeders Association lease on file.
2. A **maximum of two** Registered Ayrshires may be leased by any youth at one time. Animals may be leased by individuals only.
3. The lease may be terminated by either the owner (lessor) or the youth (lessee) by providing written notice to the other party. If the animal has been sold, submitting an application for transfer of ownership will also terminate the lease.
4. The leasing Junior is the only eligible Junior to show the animal at all National Junior shows; no substitutions may be made. The owner may show the animal in the open show.
5. All leases expire on December 31st of the year following the original lease originated, if not terminated prior to that date. A new lease is required each year.
6. The leased animal remains in the original ownership and, if the leased animal is bred, any offspring are named using the owner's prefix. All offspring are also the owners.
7. Lease agreements must be received before August 1st of each year.
