Message from the PRESIDENT

Reflecting on the past year, serving as your President

It's been a year full of highs and lows but mostly we have been continuing to move forward in making our office operations run more smoothly, efficiently, and becoming financially stable for the future of the Ayrshire Breeders Association. The board members continue to be diligent in supporting the office, supporting our breeders, and promoting the Ayrshire Breed. ABA is blessed with the best with our committee chairs, co-chairs, and committee members.

We have been moving forward proudly, the progress and proactive advancement in our office surely has helped us overcome obstacles and improve the situation we were in over a year ago. We are working on using our ABRI system to its fullest capabilities. The capabilities that it has are remarkable and it will help with time and efficiencies in the office, as well as features that will serve our breeders better. Amy continues to work diligently as our Office Operations Manager, upgrading and improving many of the daily tasks. All the hard work has created financial stability for the future of the Ayrshire Breeders Association. We still have things to work on; one of our best mottos is that there is always room for improvement.

The board members, the committee chairs, co-chairs, and committee members have played a huge part in the sustainability and success of

ABA. I couldn't shout from the roof tops enough how proud I am and how much I appreciate all of them for the value they bring to ABA, for the sacrifices they have made to support ABA and for stepping up to the plate and getting things done that needed to be done. In the face of tough times and things that were untamable and unachievable we all rose up; we were committed to saving ABA. We first met two times a week, then once a week, then bi-weekly, and we are currently meeting once a month with a few extra meetings here and there. We are all committed to ABA, to you, our breeders and members, and to the beautiful Ayrshire cow. Every phone call, every email, every discussion matters.

Thank you to our members and breeders for your patience in working with us. None of us are perfect people but I truly believe we all have and are doing our best! You, me, and every person who is committed to the Ayrshire cow. It takes all of us to promote and support ABA and the Ayrshire Cow. We are all one and my favorite saying that drives some crazy..... "TEAMWORK MAKES THE DREAM WORK"

UPDATE *FROM THE* OFFICE

Firstly, I want to thank all Ayrshire Breeders' Association members, breeders and Board of Directors for

the warm welcome I have received. For those that do not know me, I am Amy Fletcher, the new Operations Manager for the Ayrshire Breeders' Association. I began with ABA in August 2024, but prior to that had already worked with some Ayrshire breeders and members through the Classification program, in my role with the Holstein Association as Sr. Manager of Classification Operations. Over the last several months, I have enjoyed learning more about the Association and visiting with members. As a native Vermonter I'm excited to have the Ayrshire Breeders' Association back in the Green Mountain state.

Reflecting on 2024, there were several changes

that occurred. In August the office officially moved locations from Columbus, OH to Brattleboro, VT. In the new office we have been hard at work with registrations, transfers, Fall shows and finishing out 2024. The year ended on a high note and we keep progressing forward. We finished with approximately 2,900 registrations and just over 1,000 transfers. We are off to a good start in 2025 with several herds enrolled in REWARDS and already have 168 registrations processed in January.

Even though the office location has changed, many things have remained the same. You can still download the registration application forms from the new ABA website at www.usayrshire.com which was launched in early October. Simply email the completed forms to info@usayrshire.com, and our team will process your applications efficiently. The same for transfer applications, youth lease agreements, and senior and junior membership. We are continuing to add more items to the website as well.

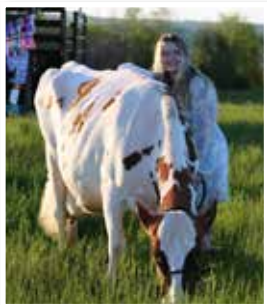

In the office, we have been working on implementing updates to automatically sign up REWARDS herds for their upcoming classification. Along with that we are notifying herds that have classified before when their next classification is to ensure they don't miss out. Access to ordering pedigrees online is being worked on and will hopefully be finished later this year. Our goal for 2025 is to better serve you our members and improve processing time in the office so you receive your certificates, pedigrees and other items in a more timely manner.

I'm excited for the Ayrshire breed and our Association in 2025 and beyond. I am also looking forward to seeing you all in the great state of Vermont for the 2025 National Convention.

AMBASSADOR

Greetings fellow Ayrshire breeders! My name is Ava Kaskela, and I am honored to be serving as the 2024–

2025 National Ayrshire Ambassador. I have been an active participant in the Pennsylvania Ayrshire Breeders' Association and the U.S. Ayrshire Breeder's Association since 2019 when I established my herd, Shining Star Ayrshires. My journey with Ayrshires began with the purchase of a fall yearling named Royal, whose profound impact on my experience has fueled my passion for the Ayrshire breed. I started my studies at the University of Delaware last fall, where I am pursuing a major in Animal Science accompanied by a minor in Animal Nutrition. Upon graduation, I plan to become a Livestock Nutritionist and continue expanding my dairy herd.

I have long admired the Ayrshire cow and the dedicated individuals who breed them. Our community is closely connected and full of enthusiasm for the breed. I was not born on a farm, but I made sure to find my way there as quickly as I could. I was first introduced to the dairy industry by joining a local 4-H dairy club that allowed us to lease dairy heifers during the summer months. A local dairy farm, Bailey's Dairy, was always very welcoming to our club and our

members, lending us heifers to show year after year. Without the leasing program, I may have never found my love for Ayrshires and the dairy industry. For the past five years, I have milked cows at Bailey's Dairy, further exploring my love and knowledge of all things dairy. Without the kindness of the Bailey Family, I do not know where I would be today. Without hesitation, they have always provided a welcoming place for my Ayrshires to live, a resilient support system, and the opportunity to continue improving my herd. I encourage every breeder to participate in the leasing program, as it is a major step toward building the future of agriculture. Because of the Ayrshire cow, I have established my career path, my passion, and an extensive resume. Raising Ayrshires has taught me resilience, confidence, determination, the privilege and gift of raising an animal, and so much more.

If there is anything better than the Ayrshire cow herself, it's the community she creates. The National Ayrshire Youth Association provides a multitude of opportunities for youth to become involved and flourish. I have partaken in some of these opportunities including the Ambassador program, the photo contest, the Ayrshire Quiz Bowl, and the Ayrshire Jeopardy contests. Last year, my team placed first in the Senior division of the Quiz Bowl contest. One of my favorite Ayrshire events is the annual National Convention, which is held in a different state each year.

I have attended several National Conventions now, and they are always beneficial and fun to me as both a breeder and a junior member. National Convention provides opportunities to explore new cities, compete in contests, connect with breeders from all areas of the country, tour farms, and receive recognition for your accomplishments in the last year.

Another Ayrshire-focused event I have enjoyed is the Pennsylvania Spring Ayrshire Show, held annually in Shippensburg, Pennsylvania. Pennsylvania is home to many quality Ayrshire herds, and our spring show is just a glimpse of the quality that our state holds. Every year, I enjoy connecting with breeders, learning more about Ayrshire cattle, and showcasing my heifers.

This past year, I have thoroughly enjoyed serving the Ayrshire cow and its breeders, and look forward to continuing connecting with breeders and juniors across the country. I have seen on a deeper level how passionate and dedicated Ayrshire breeders are, and it has been a privilege to serve the Ayrshire cow. My heart belongs to the Ayrshire cow, as she has provided me with opportunities and experiences I never knew were possible. I encourage everyone to become involved within the Ayrshire breed, as she will take you to exciting, new heights. I am excited to see you all at the National Convention this summer in Vermont!

150th US NATIONAL CONVENTION

JULY 1-5, 2025

DOUBLETREE HOTEL | SOUTH BURLINGTON, VT

Welcome to summer in the Green Mountains as we celebrate 150 years of the US Ayrshire Convention & Sale. The Vermont Ayrshire club highly anticipates hosting your family for 5 days celebrating "Ayrshire - The Cow for All Seasons." We guarantee delicious food and friendly fellowship for this once in a lifetime gathering.

The event starts on Tuesday, July 1 with the Board meeting and youth contests. Participants will have access to the "Made in the Mountains Dairy Bar" and the Memorabilia Lounge the entire day. The evening will feature the "Moonlight in Vermont" Welcome Reception for adults and the very special "Boots & Buckles Blowout" for youth.

Wednesday, July 2 kicks off a full day of all things Ayrshire. The morning follows youth contests and a Master Breeder Panel. The afternoon participants will enjoy a ride through the spine of the Green Mountains to the lush valleys of central Vermont for the "Tunbridge Royale" at the scenic Tunbridge World's Fairgrounds. Local Ayrshire breeders will have some of their best animals on display for viewing in addition to a BBQ, hayrides through local covered bridges, Vermont products vendors, and Youth activities and contests. The evening concludes with the 150th Jubilee Celebration and the "Legends Panel" for adults plus a New England style beach party for youth. Late night all are welcome to make your own root beer float in the dairy bar.

Thursday, July 3 is farm tour day featuring three highly respected Ayrshire herds. We motor coach through the beautiful Champlain Valley to Fort Ann, NY to True Blessings Ayrshires owned by Jenny Young. The organic herd sports 20 EX, 12 VG & 5 GP (all 2 year olds) milking cows plus youngstock. True Blessings has made a splash in the show ring in recent years winning banners at the Eastern National & breeding and selling two Royal Winter Fair winners in 2024. Visitors will be wowed by the longevity of the herd and impressed by the Rosette, Princess and Ruby cow families.

The second stop on the tour is the impressive Blue Spruce Farm in Bridport, VT. The large Audet family runs the 1,300 cow dairy that features an elite Ayrshire herd within. The Ayrshire originally came to the farm in 2006 with the purchase of cattle from Master Breeder herd Scapeland. Since then Blue Spruce has bred and developed some remarkable cattle including the much loved "Stinger" who was the 2019 Reserve Supreme Champion at World Dairy Expo. Attendees will be given to a guided tour of the Cow Power facilities and treated to a scrumptious lunch.

The final stop on the farm tours is Four-Hills Farm in Bristol, VT. Over 2,200 cows call Four-Hills home. Three generations of Hills have operated the farm since 1972. The first Ayrshire was bought in 1990 by Kevin Hill and the herd has grown since. For over 30 years the Hills have shown Ayrshires at the top levels of the breed. Numerous All-Americans and Junior All-Americans have called Four-Hills home. In 2024 the herd ventured north of the border to the Royal Winter Fair resulting in great success in the milking classes.

Thursday night concludes with a bountiful National Youth Banquet and Auction honoring our top young people while raising money for youth programs. A late night "Make Your Own Sundae Bar" caps off the evening.

Friday marks the culmination of 150 years of Ayrshire Excellence. The US Ayrshire Annual Meeting and Awards Brunch highlights the morning for adults. Youth will compete in the final mini-contests for the Youth Grand Prix and then travel to the fairgrounds for showmanship clinics with an internationally renowned judge. The afternoon is complete with the viewing of the Grand National Sale cattle.

The night concludes with the "Kilt Gala" where everyone is encouraged to wear plaid. The Association's "Big 3" National Awards plus the results of the youth Grand Prix will be announced.

On Saturday, July 5 the Grand National Sale concludes the 150th US Ayrshire Jubilee featuring North America's finest genetics. We encourage attendees to follow the event's official facebook page '2025 Vermont National Ayrshire Convention' for further details.
